NT No transactions.
[1-7]Countries included in each area are identified with the same footnote as the area.
[8]Arbitrary category established to cover estimated data for low-valued shipments from countries which could not be identified because of illegible reporting on import entries for low-valued shipments.

EXPLANATION OF REVISIONS

Corrections to the data previously published in the 1965 monthly issues of Report FT 125, in Schedule A commodity by country of origin arrangement, are shown in the following section. These revisions are given on a current month basis only and are given as net amounts to be added to or subtracted from the published data. Although revisions have not been prepared in any other arrangement, such as by commodity groupings, area of origin by commodity or country of origin by commodity, these corrections are applicable to other tables shown in the 1965 monthly issues of Report FT 125.
